SITUATION SUMMARY

Hunter Incident, Vegetation Fire, Mariposa County

Per CALFIRE and Cal OES Duty Officers, the Hunter Incident, a State Responsibility Area (SRA) Fire is burning near the Bear Valley area of Mariposa County.

Fire Information:

Per ICS 209, as of 05/28/14 – 0600 hours

- Size: 1300 acres, 20% contained
- 100 homes threatened, 1 destroyed, 1 damaged
- Local Government Resources, 38 Engine, 6 Water Tenders, 2 Overhead
- Total Personnel: 686

Evacuations/Shelters:

- Evacuation notices issued to 56 residences in Hunters Valley.
- McCay Hall located at 2820 Hwy 140, cross street of Hornitos Road; overnight Shelter population of 2

Activations:

- Mariposa County EOC is not activated.
- There are currently no requests for assistance or unmet needs

Deployments:

- A Cal OES Fire Assistant Chief has been assigned to the incident
- Public Safety Communications (PSC) has three technicians assigned

SITUATION SUMMARY

Significant Weather

- Red Flag Warning in effect until 2000 Thursday for portions of Shasta, Tehama, Butte, Colusa, Glenn, Sutter, Yuba, Nevada, Amador, El Dorado, Placer, Sacramento, Solano, Yolo, San Joaquin, Calaveras, Stanislaus, Tuolumne Counties

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought
- Drought Task Force Meeting Matrix [Here](#)
- Mariposa County has submitted a proclamation due to drought requesting Federal and State financial aid.
- City of San Juan Bautista, San Benito County has been submitted a resolution due to drought conditions and chemical levels declaring a water shortage emergency with no request for assistance.

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Major construction began April 22, 2014 on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets.
- Please see [“Fix 50” slides](#) for additional information, including alternate routes.

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

An upper trough will bring a slight chance of a shower to Del Norte County tonight. Cool air will infiltrate northwest California behind this trough causing early morning temperatures to fall sharply across the Eastern Valleys. Patchy frost is possible early Wednesday morning. Thunderstorms are possible over the interior mountains this weekend.

San Francisco Weather:

Seasonal temperatures and dry weather continue through the weekend. Gusty winds along the coast will begin to subside tonight.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Cooler, but dry breezy northerly winds today. Slight warming can be expected Thursday with a continued northerly wind. Cooling will present again Friday into the weekend with a threat of showers and afternoon thunderstorms starting first over the western Shasta County mountains on Friday then the threat spreads to mainly over all the mountains each day Saturday through Tuesday.

Hanford Weather:

Low pressure will pass to the north of Central California through Thursday bringing a cooling westerly flow pattern. By late in the week, a secondary low will form over California for additional cooling and an outside threat of showers over the Sierra.

WEATHER SYNOPSIS BY REGION: (Cont.)

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A cooling trend is expected through the weekend as low pressure develops along the West Coast and onshore flow continues. There will also be night through morning low clouds and fog across the coastal plain and coastal valleys with clear skies across inland areas. A slight warming trend is expected early next week.

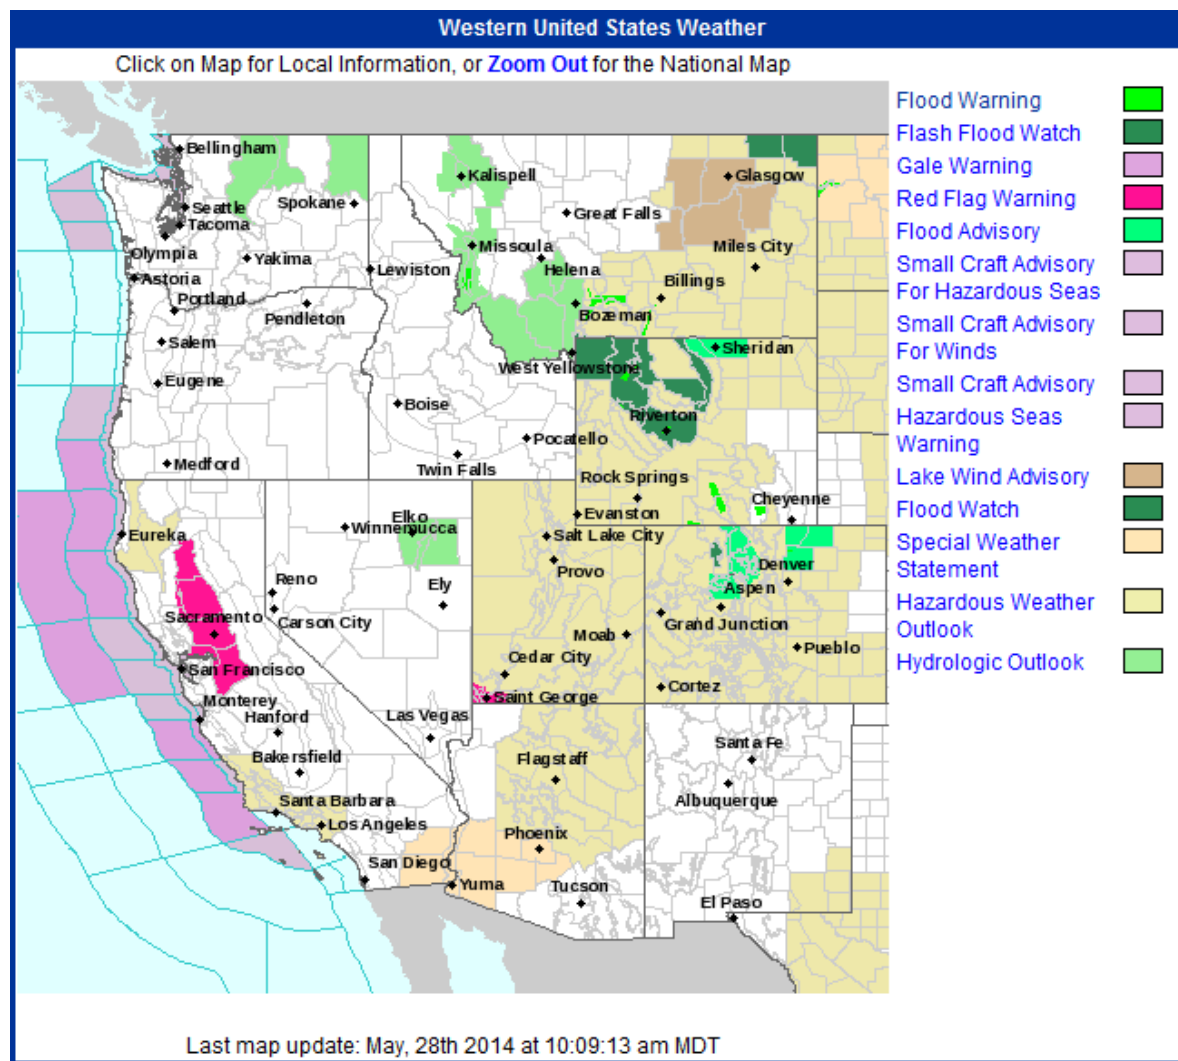

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

A weak trough of low pressure near the West Coast will maintain onshore and seasonal weather into next week with seasonal temperatures, a moderately deep marine layer, and with gusty west winds in the mountains and deserts each late afternoon through late evening. The trough of low pressure will strengthen some during the weekend with temperatures a little cooler and the marine layer a little deeper..

Southeast California Weather:

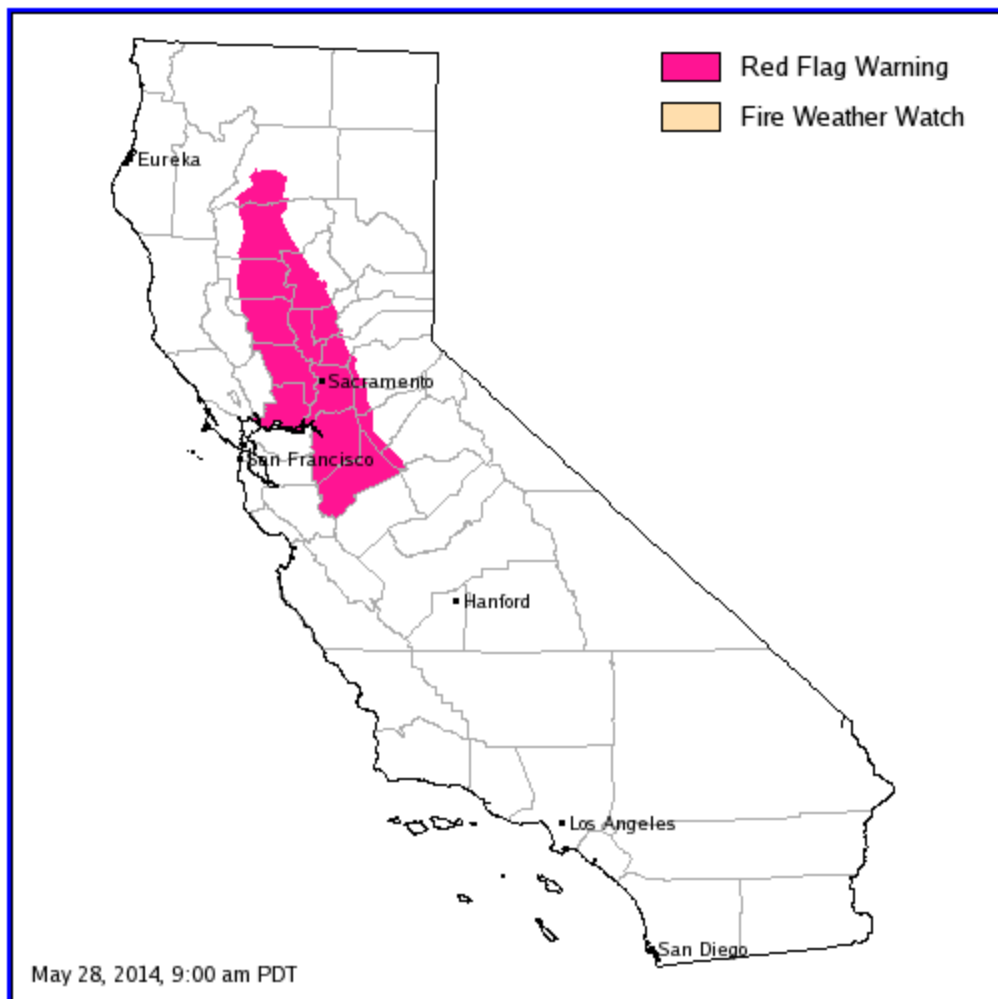

A strong high pressure system over Southeastern California will continue to provide unseasonably hot conditions today. Some cooling is expected Thursday and Friday as a series of weak pacific weather systems move in. Clear skies and slightly above normal temperatures will return Saturday into the first part of next week.

“Fix 50” Information

Major Construction U.S. Highway 50, Sacramento, Sacramento County

- Major construction is scheduled on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets.

2014 Project Dates

Roadway Construction Timing:

Westbound Highway 50: May 27 – June 25

Phase 1: May 27 - Jun 10

- The 3 inside lanes will be closed. 2 - 3 outside lanes will remain open.
- No ramps will be closed during the first westbound phase. However, the connector ramp from Hwy 99 North to US-50 West will merge down to one lane to increase safety for travelers merging onto US-50 West into the construction area.

Phase 2: June 11 - June 25

- 2-3 outside lanes will be closed. Inside 3 lanes will remain open.
- Ramp closures:
 - Connector ramp from westbound Business 80 (Capitol City Freeway) to US-50 West. Hornet Drive near Sacramento State is the alternate route.
 - Reduced lanes on connector ramp from Hwy 99 North to US-50 West (will merge down to one lane).
 - 16th Street off-ramp.

[Back to Front Page](#)

“Fix 50” Information (Cont.)

Major Construction U.S. Highway 50, Sacramento, Sacramento County

Alternate Routes:

During work in the WESTBOUND direction (May 27 – June 25):

If traveling from Rancho Cordova/Folsom to Downtown Sacramento:

- Use US-50 West to Business-80 North to “N” or “H” Street off-ramps
- Do not stay on US-50 West after Business-80 interchange

If traveling from Elk Grove/Galt to Downtown Sacramento:

- Use I-5 North to “J” Street off ramp
- Do not take Freeway-99 North to US-50 Westbound

If traveling from Rancho Cordova/Folsom to Natomas/Davis:

- Use US-50 West to Business-80 North to Watt Ave North, to I-80 West.
- Do not use US-50 West to Davis or US-50 West to I-5 North to Natomas.

If traveling on Business 80 West during Phase 2 (Closed connector ramp from Business-80 West to US-50 West):

- Get on US 50-E and use Hornet Drive (Howe/Power Inn exit) to turn around onto US-50 West
- For WB Business 80 to downtown, use Highway 160

***Motorists traveling to the Lake Tahoe area can avoid the project area congestion by taking I-80 E

“Fix 50” Information (Cont.)

Fix50 Project Update: Wednesday, May 28

It was a productive first day on the Fix50 project and everything is on schedule with the work for Westbound Phase 1. Here are some updates:

Progress over the last 24 hours:

- Started demolition on interior barrier
- Completed approach slab demolition
- Completed unsound concrete repair
- Poured first set of approach slab concrete

Over the next 24 hours, crews will:

- Continue barrier demolition
- Begin deck cleaning

In the coming week:

- Continue prep work for deck
- Begin rebar and dowel work

Traffic:

- As expected, because of the highway configuration and connector lane closures, traffic delays were longer on this first day of Westbound Phase 1 compared to Eastbound Phase 1. Caltrans hopes that motorists will decide to take alternate routes or alternate transportation as westbound work continues.

CAL OES ACTIVATIONS

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is 0800-1700 hours.

Cal EOC Incident – 2014 Drought

Situational Summary

On January 17, 2014 Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for drought conditions. The State Operation Center (SOC) is activated to implement objectives in support of the Governor's priorities. The lack of winter rain and snowfall has resulted in extremely dry conditions in many parts of the State. Reservoir levels are down significantly from where they should be on average for this time of year. If conditions continue without substantial rainfall, severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. Negative economic impacts will also result.

On April 25, 2014 Governor Brown released an Executive Order on Friday enabling several urgent actions to be taken as the drought persists into the state's traditional dry season.

**** As this rainy season comes to an end, it is highly unlikely that precipitation totals will increase significantly over the coming months. This winter's below average rain and snowfall worsens conditions in this third straight dry year.****

Situational Summary (Cont.)

- The Taskforce continues to meet regularly to take actions that conserve water and coordinate state response to the drought.
- The final manual snowpack survey of the season was conducted on Thursday (May 1) and showed California snowpack at 18% of normal. The most recent electronic readings record snowpack water content at only 6% of normal for the date.
- DWR has announced that water essential for health and safety will be delivered through the state water project. The current State Water Project Allocation is 5%.
- Cal OES continues to gather drought-related costs from state agencies and local governments.

CAL OES MISSIONS

New Cal OES Missions

- **2014-LAW-3697** Air Force Rescue Coordination Center (AFRCC) request that a Personal Locator Beacon be located and silenced which is sounding in San Diego County. Cal OES LDO is coordinating resources.

Closed Cal OES Missions

- **2014-LAW-3691** Santa Barbara County Sheriff requesting one SAR Area K9 to assist in searching for an at-risk 21 year old female. Cal OES LDO coordinating resources. San Luis Obispo County Sheriff is filling the request. SBSO has made an additional request of four SAR Area K9 and two SAR Trailing K9 for an immediate response. **Update:** On 5/27/2014 at 1431 hours, SBSO advised MP was located alive outside the search area. All SAR Mutual Aid resources released.
Mission Closed

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
